

Data input volunteer opportunity

We have a lot of data to record to keep our program organized.

We work in Airtable, a relational database that is user friendly. Training provided.

Must be 16+

If under 18 – parent must sign permission form

All work is completed remotely

Must have access to computer and monitor.

Must be technology savvy

Attention to detail

Passion for our mission

Takes initiative

Good communicator, team player, dependable, punctual

Tasks completed virtually.

Between 2 and 5 hours per month.

BENEFIT

Knowing you are integral part of our mission to make sure underserved children in Kansas City celebrate their birthday!

Leadership skills, resume builder, and job experience.
